Madhya Pradesh Chawal Udyog Mahasangh
Maharashtra Rice Mill Association
Dal Mill Association Maharashtra

Supported by

Roller Flour Mills Association

Industry Overview

India is largest rice producer and 2nd largest pulses producer Country in world

Maharashtra is known for Pulses & Rice Production. It is gainful market for machinery manufacturer with 1050 Pulses, 400 Rice Mills, 1100 Cleaning and Grading Unit, 100 Flour Unit, Thousands of traders at this business location. Karnataka, Telangana, Gujarat and Madhya Pradesh area of grain milling industry are well connected with this business point where are more than 3500+ Rice, Wheat, Cleaning and Grading, Flour and Pulses unit.

About GRAIN Industry Expo

Grain Industry Expo 16-17-18 Oct, 2020 at Latur, Maharashtra will explore the Pulses, Rice, Wheat, Flour, Cleaning and Grading Unit and Seeds industry of this state will provide the biggest platform to all the Grain Milling Machinery manufacturers and its allied industry from India and overseas.

Good numbers of companies of India and overseas are expected to participate in this exhibition and large numbers of gathering are expected at Grain Industry Expo.

Reason to Exhibit Grain Industry Expo 2020

- ☑ Meet number of core audience and industry specific visitor.
- ☑ Showcasing your product and services.
- ☑ Great exposure of your business.
- ☑ Chance to create competitiveness and technology exchange opportunity.
- ☑ Build relationship with new clients and market researchers.
- ☑ Seek out new business opportunities and meet existing clients without visiting multiple States.

Reason to Visit Grain Industry Expo 2020

- ☑ See the latest developments in your industries.
- ☑ Live product demonstrations of new machinery.
- ☑ Book face to face appointments with service providers.
- ☑ A solution of any requirement.

Exhibitors Profile

- Pulses Mill Machinery Manufacturers
- Rice Processing Machinery Manufacturers
- Roller Flour Mill Machinery Manufacturers
- Poha Machinery Manufacturers
- Color Sorter Manufacturers
- Packaging Material & Packaging Machinery
- Air Compressor Manufactures
- Bag closing Machine Manufacturers
- Silo Manufactures
- Grain Processing Machinery Manufacturers
- Cleaning Machines
- Bar Coding and E-coding Technologies
- Labelling Technology
- Solvent Extraction Plant Manufactures
- Soya Machinery Manufactures
- Elevators/ Conveyers/V-Belt Manufactures
- Weighing Bridges and Scales
- Thread Manufactures
- Switch Gear and Control Panels
- Boiler Manufactures
- Gravity Separator Machinery Manufacturers
- Moisture Measuring System
- Parboiling Plant Manufacturers
- Pre Engineered Buildings Manufacturers
- Pollution Control Equipments
- Lab Equipment Manufactures
- Dry & Husking Machines
- Dryer Manufactures
- DG Set Manufacturers / Dealers
- Heat Exchanger
- Electric Panels Manufacturers
- Energy Transmission / Gear Boxes Mfrs.
- Automation & Software Solutions
- Material Handling equipment Manufacturers
- Paddy Parboiling Dryer.
- Power Transmissions
- Rubber Roll Manufactures
- Warehousing Technologies & Facilities
- Water Treatment Plants
- Logistics
- Banks & Financial Institutions

Visitors Profile

- Pulses, Rice, Flour, Spices, Wheat, Seeds & Soya Miller
 - Oil Millers - Solvent Extractors
 - Poha Millers
 - Rice Mill Technician
 - Grain Traders
 - Warehousing Owners
 - Exporters & Importers
 - Food Products Manufactures
 - Chamber of Commerce Mambers
 - Dealers, Suppliers, & Agents
 - Laboratory Technicians
 - Brand Manager & Marketing Professionals
 - Grain Market Consultants & Experts
 - Technical Consultants
 - Research Institutions
 - Newspaper / Magazine / Directories / Books
 - Quality Certification Agencies
- ...and all those who are directly or indirectly linked with industry**

Why Maharashtra ?

- One of the most progressive state of India.
- Millers are interested to take new technologies.
- Latur an ideal location for this gathering.

Grain Industry
expo

Stall Cost

Raw Space (Minimum Space 18 Sqm only stall space)

INR 6000 per Sqm. or USD 225 per Sqm

Constructed Stall (Minimum Space 9 Sqm)

INR 7000 per Sqm. or USD 250 per Sqm

Extra Electricity Load INR 2000 PKW

GST @ 18%

(Note: In case of any change in GST, exhibitors are bound to pay accordingly.)

Facilities

The height of each panel would be 2.4 meter and its breadth would be 1 meter

The breadth of fascia would be 0.8 Feet

- Fascia Board With Company Name
- 1 Reception Table
- 2 Chairs
- 3 Spotlights
- 1 Electricity Power Point (5 amp)
- 1 Waste bin
- Synthetic Carpet
- Daily Cleaning
